5TH ANNUAL

CANNING THORACIC INSTITUTE SYMPOSIUM

PREVENTION, SCREENING, AND EARLY DETECTION OF LUNG DISEASE

PROGRAM INFORMATION

LEARNING OBJECTIVES

Upon completion of this activity, participants will be able to:

1. Describe and apply a multidisciplinary approach to the diagnosis and management of advanced lung diseases, including interstitial lung diseases, obstructive lung diseases, lung cancer, and chronic thromboembolic pulmonary hypertension.
2. Examine the role of targeted therapies in the management of lung disease, including pharmacological, bronchoscopic, and therapeutic approaches.
3. Demonstrate knowledge about the criteria for diagnosis and treatment of advanced lung disease, focused on populations of patients with specific demographic characteristics, exposures, and physiology.

TARGET AUDIENCE

SPECIALTIES: Critical Care Medicine, Diagnostic Radiology, Nursing, Oncology, Pathology, Pulmonary Disease, Respiratory Therapy, Thoracic Surgery

PROFESSIONS: Nurse, Occupational Therapist, Physical Therapist, Physician, Physician Assistant, Social Worker, Student

ACCREDITATION STATEMENT

The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of 4.25 *AMA PRA Category 1 Credit(s)*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ACCOMMODATIONS

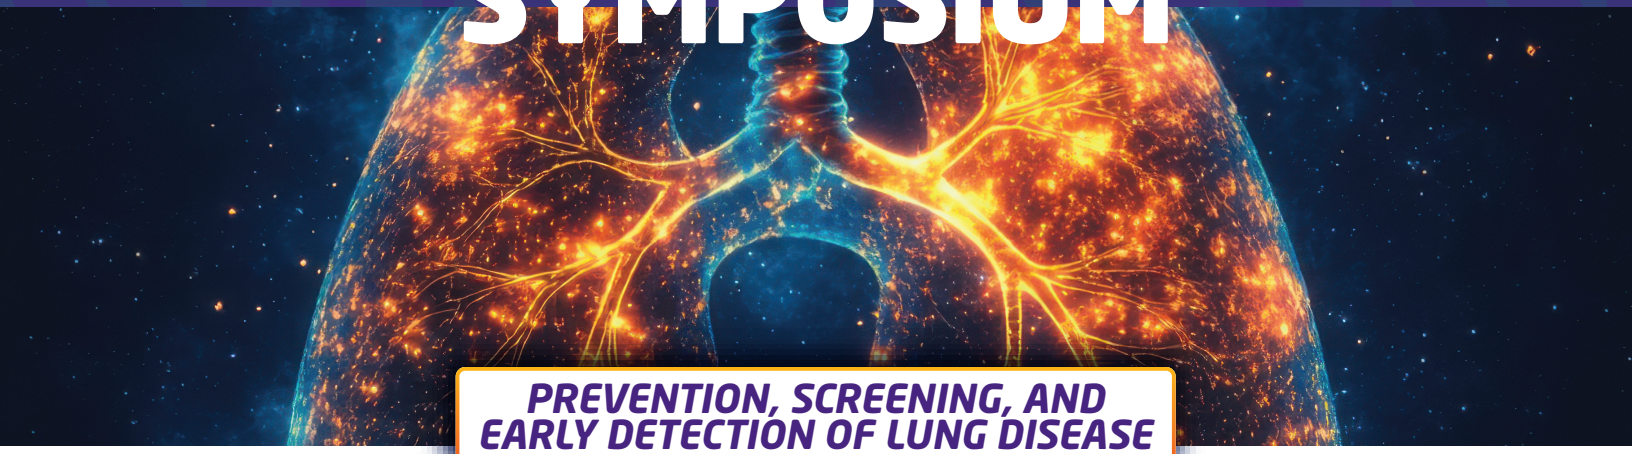

Northwestern University is committed to providing reasonable accommodations for all events and programs. Accommodations such as sign language interpreters, accessible seating, and presentation materials in alternate formats are provided upon request. Please contact Rita Guzman at rita.guzman@nm.org at least one month prior to the course date. Every reasonable effort will be made to implement accommodations in an effective and timely manner.
