Pediatric Pearls Winter

A Virtual CME

M Northwestern Medicine* Feinberg School of Medicine Looking for other opportunities to earn CME?

Visit luriechildrens.org/cme for a complete listing of our online CMEs as well as live and on-demand webinars which are always free of charge.

Ann & Robert H. Lurie Children's Hospital of Chicago is proud to present the first VIRTUAL CME program, sponsored by Northwestern University Feinberg School of Medicine and Lurie Children's, our one-day seminars offer timely and practical advice from pediatric specialists and allow physicians to earn continuing medical education credits.

Pediatric Pearls Winter is the second in the 2020–2021 *VIRTUAL* series and is a timely one-day seminar with lectures based on a variety of common conditions confronted by the primary care physician, including an update on Covid-19. Designed for pediatricians, family practitioners and advanced practice nurses, this symposium will address Covid-19, childhood obesity, prevention and treatment, substance use and screening, irregular sleep schedules, PCOS and contraceptive options.

To view this symposium, you will be required to download the latest version of ZOOM. If you plan to view this seminar on a mobile device, the ZOOM app will be needed. We will be sending you more detailed information once your registration has been received and confirmed, including the conference URL.

For more information regarding this course or any other course being offered, please call Stephanie Cardona at 312.227.7411 or email svcardona@luriechildrens.org or Claudia Cooper at cpinto@luriechildrens.org
