About the Presenters
Ann & Robert H. Lurie Children’s Hospital of Chicago is proud to present its 2019–2020 continuing medical education series. Sponsored by Northwestern University Feinberg School of Medicine and Lurie Children’s, our one-day seminars are designed to keep pediatricians and primary care physicians’ knowledge up-to-date with lectures on a variety of infectious diseases and conditions. Designed for pediatricians and family practitioners, this is the second course in the 2019–2020 CME series and is a timely one-day symposium focusing on the measles vaccine, recurrent UTIs, the flu, pneumonia, HIV, viral hepatitis, bone/joint infections, and how to best address vaccine hesitancy.

For more information regarding this course or any other course being offered, please call Catalina Denari, at 312.227.7411. and for your convenience, we will continue to sell these courses on an individual basis.

For Pearl and Thursday courses, a $75 late fee will be assessed on registrations mailed, phoned or faxed in. We can only accept AMEX for registrations. We DO NOT accept cash, personal checks or foreign credit cards. Instead of using this form, you may register online at luriechildrens.org/pearls or mail/fax the attached form to Catalina Denari:

Registration and full payment for this course are due

312.227.9378. We discourage you from including your credit card information if sending via fax and prefer you to follow-up with a phone call to provide the payment information.

Registration is due at least 10 days prior to each course, but please be aware that enrollment is limited. Therefore, symposia will be filled on a first-come, first-serve basis.

Looking for other opportunities to earn CME? Visit luriechildrens.org/cme for a complete listing of our online CMEs as well as check for additional in-person programs. You can register online at luriechildrens.org/pearls or call 312.227.9378. We discourage you from including your credit card information if sending via fax and prefer you to follow-up with a phone call to provide the payment information.
