Oncofertility Consortium Conference
Bridging the Gaps in Oncofertility Research and Clinical Care: A Global Initiative

November 13-15, 2018
Prentice Women's Hospital
Chicago, IL

Conference Highlights

**LECTURES**
The conference features two full days of lectures from leaders in the field. This includes two keynote presentations from Drs. Richard Anderson and Lillian Meacham.

**FELLOW EDUCATION DAY**
This day long course will educate fellows on fertility preservation and survivorship care for cancer patients across the reproductive life cycle. The course will also model a team approach to fertility preservation care.

**LABORATORY TRAINING COURSE**
Day 3 of the conference features smaller didactic applied learning sessions where attendees can discuss, network, and collaborate with their peers.

**POSTER SESSIONS**
Attendees can feature their research at a number of poster sessions throughout the conference. Submit an abstract today!

Register Online at oncofertility.northwestern.edu
A limited number of Abstract Awards and Scholarships will be available to those who qualify. Apply online.

This year the Oncofertility Consortium is able to provide AMA PRA Category 1 Credit™ for the conference.

**Learning Objectives**
1. Describe the basic science advances in fertility preservation and restoration and global outcomes of pregnancy after cancer
2. Identify ethical considerations for fertility preservation in expanded patient populations such as pediatric and gender and sex diverse patients
3. Recognize alternative communication strategies for discussing fertility treatment

**Target Audience**
Healthcare professionals who treat adolescent and young adult patients with cancer and AYA cancer survivors
Research Scientists research ways to mitigate fertility threats to AYA cancer patients

**Accreditation Statement**
The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit Designation Statement**
The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of 12 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
