Rajiv Nijhawan, MD

*Assistant Professor of Dermatology
Director of the Parkland Memorial Hospital Skin Tumor Clinic
UT Southwestern Medical Center*

10:00am: BREAK

10:30am: Patient-Reported Outcome Measures in Dermatologic Surgery

Abigail Waldman, MD

*Director of Mohs, Brigham and Women's Hospital
Mohs and Dermatologic Surgery Center
Harvard Medical School*

11:30am: Digital Explosion: Smartphone Video Recording, Editing, and Sharing Procedural Technique in Dermatologic Surgery

Justin Leitenberger, MD

*Assistant Professor of Dermatology
Oregon Health and Science University*

12:30pm: LUNCH

This educational seminar will be of benefit to residents, fellows, and physicians in the fields of dermatology, plastic surgery, ophthalmology, and otolaryngology.

Educational Objectives:

1. Select appropriate patient-reported outcome measures to track the success of cosmetic procedures and direct quality improvements.
2. Evaluate the suitability of different therapies for treatment of melasma and hyperpigmentation.
3. Apply the Mohs technique in combination with immunohistochemistry to facilitate the precise removal of melanomas.
4. Adapt handheld video recording devices to record, edit, and share educational videos demonstrating procedures in dermatologic surgery.

The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of 4 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
