PROGRAM INFORMATION

NORTHWESTERN WOMEN IN MEDICINE: LEADING THE WAY

The aim of the symposium is to empower women in leadership and to facilitate career advancement by identifying barriers prevalent in medicine and finding ways to initiate constructive solutions. The conference will also allow for networking amongst community and academic women in medicine.

LEARNING OBJECTIVES

At the conclusion of this activity, participants should be able to:

1. Facilitate the advancement of women in medicine
2. Identify the skills needed to be an effective leader
3. Identify strategies when to say yes and when to say no to professional endeavors
4. Develop the art of negotiation
5. Identify evidence based data and peer reviewed studies relating to implicit bias and gender equity
6. Identify barriers that currently exist for women in medicine and create constructive solutions
7. Describe strategies for work life balance while maintaining overall wellness and health

TARGET AUDIENCE

This continuing medical education program is designed to meet the educational needs of multiple specialties.

CONFERENCE LOCATION

The program will be on the 3rd Floor of the Northwestern Memorial Hospital Feinberg Pavilion, located at 251 E. Huron St, Chicago, IL 60611. For directions and parking information, please visit nm.org/locations.

ACCREDITATION STATEMENT

The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of 7.75 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURE

The Northwestern University Feinberg School of Medicine requires course directors, speakers, instructors, planners and other individuals who are in a position to control the content of this activity to disclose any relevant financial relationships. All identified potential conflicts of interest, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations are thoroughly vetted by Northwestern University FSM for fair balance; The faculty disclosures will be indicated in the course syllabus.

SPECIAL NEEDS

The Northwestern University Feinberg School of Medicine fully intends to comply with the legal requirements of the Americans with Disabilities Act. If any participant of this conference is in need of accommodation please indicate those needs on the registration form or submit a written request to the Office of CME at least one month prior to the conference date.

ADDITIONAL INFORMATION

For more information, Contact Rana Khalifeh at rana.khalifeh@northwestern.edu or visit our website at: cme.northwestern.edu or www.medicine.northwestern.edu/about/women-in-medicine.html.

INVITED SPEAKERS

Michelle Buck, PhD

Clinical Professor of Leadership
Kellogg School of Management
Northwestern University

Michelle L. Buck is Clinical Professor of Leadership at the Kellogg School of Management at Northwestern University. She has previously served as the School's first Director of Leadership Initiatives, designing and coordinating opportunities

for personal leadership development to complement the School's academic curriculum. She has also served as academic director of numerous Kellogg executive programs, and teaches in Northwestern's Master of Science Communication program.

Professor Buck's work focuses on designing innovative, inspiring, and important learning experiences that transform lives by providing purpose, passion, and possibility and that transform the world by developing authentic, courageous and creative leaders.

Karin M. Muraszko, MD, FACS

Chair and Julian T. Hoff, M.D. Professor,
Neurological Surgery
Professor, Pediatrics and Communicable Diseases
Professor, Plastic Surgery
University of Michigan

Karin M. Muraszko, MD, was educated at Yale University, having received a B.S. with a double major in history and biology in 1977. She is a graduate of Columbia College of Physicians and Surgeons in 1981. She did her internship, neurosurgical training,

and pediatric neurosurgical training at Columbia Presbyterian Medical Center-the New York Neurological Institute. Dr. Muraszko was then a Senior Staff Fellow at the National Institutes of Health-NINDS in the Surgical Neurology Branch from 1988 to 1990. Dr. Muraszko arrived at the University of Michigan in 1990. She became Chief of the Pediatric Neurosurgery Service in 1995 and appointed Chair of the Department in 2005 with the distinction of being the first female chair of an academic neurosurgical department in

the United States. She has served on numerous committees within organized neurosurgery. Dr. Muraszko was appointed the first female Director of the American Board of Neurological Surgeons in 2008. At Michigan she has served on ACAPT, the Medical School Executive Committee and the FGP Executive Committee.

Dr. Muraszko's research interests include experimental therapies for the treatment of pediatric brain tumors, the treatment and diagnosis of Chiari malformations, and the treatment of children with complex craniofacial anomalies. She is the co-founder of Project Shunt at the University of Michigan.

Stephanie Spottswood, MD, MPH

Professor of Radiology and Radiological Sciences
Professor of Pediatrics
Chief, Pediatric Nuclear Medicine
Associate Vice Chair for Diversity
Vanderbilt University Medical Center

Dr. Spottswood received her Bachelor of Arts degree in Education from the University of Michigan, Master of Science degree in Public Health from the University of North Carolina, and Doctoral degree in Medicine from the University of North

Carolina. She completed residency in Diagnostic Radiology at Vanderbilt University Medical Center in 1991 and fellowship training in Pediatric Radiology at the Medical College of Virginia in 1992. She then studied pediatric nuclear medicine under pediatric nuclear medicine pioneer Dr. Massoud Majd, at the Children's National Medical Center and completed her Nuclear Medicine fellowship training at the Medical College of Virginia in 1993.

As a retired Professor Emerita of Radiology, Dr. Spottswood remains active as an Unconscious Bias educator, and as co-chair of the Diversity and Inclusion Committee of the Society for Pediatric Radiology, a standing committee which she developed in 2017. She currently works as an executive coach, with a focus on expanding trainee and workforce diversity in the field of radiology and, more broadly, within academic medical centers. She speaks regionally, nationally and internationally on the topics of diversity, gender diversity, diversity in health care, and creating an institutional culture of inclusion.
