There is no cost to attend.

18th Annual Current Advances in Pediatrics

Updates for the Primary Care Practitioner

Thursday, May 9, 2024
Virtual Conference via Microsoft Teams

23-1166A/0223/050 © 2023 Northwestern Medicine. All rights reserved.

Current Advances in Pediatrics is a half-day educational seminar for pediatricians, primary care physicians and other clinicians who want to learn about the latest treatments and advancements in pediatrics.

Event speakers and topics

Topics will be presented by clinicians who are part of the collaborative program between Northwestern Memorial HealthCare and Ann & Robert H. Lurie Children’s Hospital of Chicago and its affiliated physician groups.

Accreditation Statement

Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement

Northwestern University Feinberg School of Medicine designates this live activity for a maximum of 4.25 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABP MOC Part 2 Statement

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 4.25 MOC points in The American Board of Pediatrics’ (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

American Board of Surgery Continuous Certification and Self-Assessment Programs

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME and Self-Assessment requirement(s) of the American Board of Surgery’s Continuous Certification program. It is the CME activity provider’s responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.
