# Pediatric Pearls: Cardiology *A Virtual* CME

**Thursday, January 27, 2022**  
***Register by: January 20, 2022***

**Northwestern Medicine**  
Feinberg School of Medicine

Looking for other opportunities to earn CME?

Visit [luriechildrens.org/cme](http://luriechildrens.org/cme) for a complete listing of our online CMEs as well as live and on-demand webinars which are always free of charge.

**Ann & Robert H. Lurie Children's Hospital of Chicago** is proud to present the 2021–2022 Pediatric Pearls Series. Sponsored by Lurie Children's and Northwestern University Feinberg School of Medicine, our one-day seminars offer timely advice and medical updates from top pediatric specialists designed for pediatric primary care providers.

**Pediatric Pearls: Cardiology** is the third in the 2021–2022 series and will be presented VIRTUALLY. This one-day relevant seminar will include several topics that will provide primary care providers with the knowledge they need to identify and in some cases manage some cardiac dilemmas often encountered in their practice. Participants will also be able to discuss several diseases of more complex nature and the advancements being made.

For this symposium, you will be required to download the latest version of ZOOM or ensure that your selected device has access to the Zoom platform. Once your registration is received, we will follow-up with all of the information you will need to access the conference and download the presentations in advance. If you need more information regarding this course or any other course in this series, please contact Stephanie Cardona at [svcardona@luriechildrens.org](mailto:svcardona@luriechildrens.org) or Claudia P. Cooper at [cpinto@luriechildrens.org](mailto:cpinto@luriechildrens.org) or call 312.227.7411.

## Resources for our Referring Physicians

Thank you for partnering with Lurie Children's in the care of your patients. We are proud to be one of the best children's hospitals in the country and ranked in all 10 specialties in the 2020–21 *U.S. News & World Report* survey of children's hospitals.

We have several resources to help you stay up-to-date when it comes to our providers, locations, services and other useful information that will help you take care of your patients. Contents of our recently mailed 2021 Referral Toolkit can now be found online at [luriechildrens.org/referrals](https://luriechildrens.org/referrals). For the most up-to-date information on our specialists, please visit our Find a Doctor at [luriechildrens.org/FAD](https://luriechildrens.org/FAD)

To refer patients to us or to request a consultation, you can:

- Call our Lurie MD Hotline at **1.855.587.4363** to speak with a specialist
- Have families call **1.800.KIDS DOC®** to make an appointment

Lurie MD Hotline is exclusively for physicians and answered 24/7/365. You will speak to someone live and receive a call back from a Lurie Children's specialist within 30 minutes or by the end of business, based on urgency.

**Also new is the Lurie Children's Physician Services webpage**  
[luriechildrens.org/physicianservices](https://luriechildrens.org/physicianservices)

Bookmark this page for easy access to the most up-to-date information on Lurie Children's including many of the resources found on our referral page as well as past recorded roundtable discussions and other important matters in pediatric health.
