Resources for Our Referring Physicians

Thank you for partnering with Lurie Children’s in the care of your patients. We are proud to be one of the best children’s hospitals in the country and ranked in all 10 specialties in the 2020–21 U.S. News & World Report survey of children’s hospitals.

We have several resources to help you stay up-to-date when it comes to our providers, locations, services and other useful information that will help you take care of your patients. Contents of our recently mailed 2021 Referral Toolkit can now be found online at luriechildrens.org/referrals. For the most up-to-date information on our specialists, please visit our Find a Doctor at luriechildrens.org/FAD.

To refer patients to us or to request a consultation, you can:

• Call our Lurie MD Hotline at 1.855.587.4363 to speak with a specialist
• Have families call 1.800.KIDS.DOC® to make an appointment

Lurie MD Hotline is exclusively for physicians and answered 24/7/365. You will speak to someone live and receive a call back from a Lurie Children’s specialist within 30 minutes or by the end of business, based on urgency.

Also new is the Lurie Children’s Physician Services webpage luriechildrens.org/physicianservices. Bookmark this page for easy access to the most up-to-date information on Lurie Children’s including many of the resources found on our referral page as well as past recorded roundtable discussions and other important matters in pediatric health.
