PARKING**

Looking for other opportunities to earn CME?

Visit [luriechildrens.org/cme](http://luriechildrens.org/cme) for a complete listing of our online CMEs as well as live and on-demand webinars which are always free of charge.

**If this course needs to be moved to a virtual format due to state mandates regarding Covid-19, we will notify you as soon as possible and proper credit will be discussed.**

**Ann & Robert H. Lurie Children's Hospital of Chicago** is proud to present the 2021–2022 Pediatric Pearls Series. Sponsored by Lurie Children's and Northwestern University Feinberg School of Medicine, our one-day seminars offer timely advice and medical updates from top pediatric specialists designed for pediatric primary care providers.

**Pediatric Pearls: Orthopaedics & Sports** is the fifth and final program in the 2021–2022 series and will be presented in-person in Oak Brook, IL. This one-day relevant seminar will include several specialty topics that will provide primary care providers with the knowledge they need to identify and in some cases manage some disorders often encountered in their practice. There will also be a few "hands-on" sessions offering participants with an opportunity to fully understand various bone and joint exams.

This symposium will only be offered in a live and in-person format. If you need more information regarding this course or any other course in this series, please contact Stephanie Cardona at [svcardona@luriechildrens.org](mailto:svcardona@luriechildrens.org) or Claudia P. Cooper at [cpinto@luriechildrens.org](mailto:cpinto@luriechildrens.org)

#### **Accreditation Statement**

The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

## Resources for our Referring Physicians

Thank you for partnering with Lurie Children's in the care of your patients. We are proud to be one of the best children's hospitals in the country and ranked in all 10 specialties in the 2020–21 *U.S. News & World Report* survey of children's hospitals.

We have several resources to help you stay up-to-date when it comes to our providers, locations, services and other useful information that will help you take care of your patients. Contents of our recently mailed 2021 Referral Toolkit can now be found online at [luriechildrens.org/referrals](https://luriechildrens.org/referrals). For the most up-to-date information on our specialists, please visit our Find a Doctor at [luriechildrens.org/FAD](https://luriechildrens.org/FAD)

To refer patients to us or to request a consultation, you can:

- Call our Lurie MD Hotline at **1.855.587.4363** to speak with a specialist
- Have families call **1.800.KIDS DOC®** to make an appointment

Lurie MD Hotline is exclusively for physicians and answered 24/7/365. You will speak to someone live and receive a call back from a Lurie Children's specialist within 30 minutes or by the end of business, based on urgency.

**Also new is the Lurie Children's Physician Services webpage**  
[luriechildrens.org/physicianservices](https://luriechildrens.org/physicianservices)

Bookmark this page for easy access to the most up-to-date information on Lurie Children's including many of the resources found on our referral page as well as past recorded roundtable discussions and other important matters in pediatric health.
