**Ann & Robert H. Lurie Children's Hospital of Chicago** is proud to present its 2019–2020 continuing medical education series. Sponsored by Northwestern University Feinberg School of Medicine and Lurie Children's, our one-day seminars offer timely, practical advice from pediatric specialists and allow physicians to earn continuing medical education credits.

**Pediatric Pearls Allergy & Immunology** is the fifth and final course in the 2019–2020 CME series and is a timely one-day symposium with lectures on a variety of allergy-related conditions as well as immunologic concerns. Designed for pediatricians and family practitioners, this symposium will address food allergies, the need for allergy testing, the treatment and management of atopic dermatitis, drug allergies and reactions and immunodeficiency conditions and cases. Presented by the distinguished panel of experts from the Division of Allergy/Immunology, this full-day comprehensive conference will highlight some of the newest research and treatments.

For more information regarding this course or any other course being offered, please call Catalina Denari, at 312.227.7411.

#### Accreditation statement

The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

#### Designation statement

The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of 5.5 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

#### Registration

Registration and full payment for this course are due by May 6, 2020.

Please register at [luriechildrens.org/pearls](http://luriechildrens.org/pearls) or mail/fax the attached form to Catalina Denari:

Ann & Robert H. Lurie Children's Hospital of Chicago  
225 E. Chicago Avenue; Box 87  
Chicago, IL 60611-2991

You may also fax the attached form to Catalina Denari at 312.227.9378. We discourage you from including your credit card information if sending via fax and prefer you to follow-up with a phone call to provide the payment information.
