

# ENT and Neurology Diagnoses Seen in Everyday Practice

Continuing Medical Education Conference

Saturday, November 16  
7:30 am - 12:45 pm

Central DuPage Hospital  
25 North Winfield Road  
Winfield, Illinois 60190

*This program is funded by The Douglas L. Johnson Endowed Chair in Neurosciences Award, presented by Northwestern Memorial Foundation. The foundation raises funds that support the mission and strategic goals of Northwestern Medicine.*

*A 21-year veteran of Northwestern Medicine Central DuPage Hospital, Douglas Johnson, MD, served as a true pioneer in neurosurgical services. As an influential leader in the neurosciences program at the hospital, he helped bring new opportunities to patients throughout the region and mentored many medical professionals as they launched and developed their own careers.*

*Through this permanent endowment, we are celebrating the life and career of Dr. Johnson in perpetuity at Central DuPage Hospital. This named chair serves as a lasting and living tribute to all that Dr. Johnson believed in and the future he envisioned for neuroscience care.*

Learning objectives

At the conclusion of this activity, participants will be able to:

Examine some of the common and less common causes of dizziness in their day-to-day practice.

Examine the origins of neck masses and nasal obstruction.

Evaluate some of the lesions found by otolaryngological and imaging analysis that cause headache with a particular emphasis on how to distinguish these entities from the more common causes such as tension and sinus headache.

Compare the newest technologies for implantable auditory devices.

Assess the protocol for surgical treatment options for Bell’s palsy, and evaluate the role and benefits of electrophysiological testing in facial nerve paralysis.

Target audience

The continuing medical education program is designed to meet the educational needs of physicians (primary care physicians, hospitalists, pediatricians, emergency medicine physicians, ENT specialists, neurologists, neuropsychologists, psychiatrists, audiologists) and other healthcare providers such as APNs, PAs, physical therapists, occupational therapists, speech pathologists and social workers.

Accreditation statement

The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
