Northwestern Cataract Symposium 2021
Update on techniques & technological advances in cataract surgery

Saturday, April 10th, 2021

Keynote Speakers
Samuel Masket, MD  University of California, Los Angeles
Sumitra Khandelwal, MD  Baylor College of Medicine, Houston, TX
Shamik Bafna, MD  Cleveland Eye Clinic, Cleveland, OH

Guest Faculty
David Lubeck, MD  Arbor Eye Care – Greater Chicago, IL
Anjali Tannan, MD  Rush University Medical Center – Chicago, IL

Northwestern Host Faculty
Surendra Basti, MD  Robert Feder, MD
Jeanine Baqai, MD  Mary-Ann Mathias, MD
Lisa Rosenberg, MD  William G. Myers, MD
Ramez Haddadin, MD  Mary Kate Russell, MD
Anjum Koreishi, MD  Angelo P. Tanna, MD
                                     Sanja Dragovic, MD

Educational Grants Provided By:

Program Planning Committee
Surendra Basti, MD – Course Director
Nicholas J. Volpe, MD
Ramez Haddadin, MD
Symposium Description
This symposium provides an update for practicing ophthalmologists from the Midwest, highlighting recent advances and technology in the field of cataract surgery. The program seeks to educate participants on the topics of laser cataract surgery, complex cataract management, premium IOLs and new technologies to enhance outcomes of premium and toric IOLs.

Target Audience
Ophthalmologists who detect and treat cataracts.

Learning Objectives
Upon completion of this symposium, attendees should be able to:
- Compare and contrast premium IOL, including light adjustable, EDOF, diffractive, and toric, and expand on the dos and don’ts related to refractive cataract surgery.
- Appraise various technologies available for imaging, biometry, capsulorhexis, and cataract removal, and identify which patients benefit most from its use.
- Discuss options for secondary IOL and surgical challenges associated with complex cataracts, and the surgical nuances to manage them.

Zoom Link
The Zoom link will be available closer to the event date.

Accreditation Statement
The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement
The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of 4.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

10:20-10:40 AM  Keynote: Nailing the biometry: long eyes, short eyes and unusual eyes
Sumitra Khandelwal, MD

10:40-10:50 AM  Automating the capsulotomy: our choices and their future role
Samuel Masket, MD

10:50-11:00 AM  MiLoop: pros and cons
MaryAnn Mathias, MD

11:00-11:15 AM  Intraoperative guidance systems to enhance IOL accuracy
Anjali Tannan, MD

11:15-11:30 AM  Intracameral pharmacotherapy: current status
William G. Myers, MD

11:30-11:50 AM  Do’s and don’ts for femto surgery in special situations
Panel: Anjali Tannan, MD
               Ramez Haddadin, MD

11:30-11:40 AM  Management of the White cataract
Lisa Rosenberg, MD

11:40-11:50 PM  Femtosecond laser in posterior polar cataracts
David Lubeck, MD

11:50-12:00 PM  Q & A  Moderator: Mary Kate Russell, MD
