INTENDED AUDIENCE AND COURSE OBJECTIVES
This course is designed for sonographers, fellows in training and physicians in the fields of obstetrics, maternal-fetal medicine, pediatric cardiology and diagnostic radiology, and sonography students embarking on a career in fetal cardiac sonography. Upon conclusion of this educational meeting, attendees should have improved their ability to:

• Discuss existing guidelines and indications for fetal echocardiography
• Review normal fetal cardiac physiology and perinatal transition
• Assess normal fetal cardiac anatomy, function and rhythm by echocardiography
• Identify fetal echocardiographic features in congenital heart defects, fetal arrhythmia and cardiac dysfunction
• Apply learned techniques to optimize fetal echocardiographic images to accurately assess cardiac abnormalities

CONFERENCE COST
Online registration for this event is $75. Registration closes Friday, September 3, 2021, or once maximum capacity is met.

REFUNDS
Cancellations must be received in writing by August 27, 2021, and will be subject to a $25 processing fee. No refunds will be granted after that date.

Accreditation
The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation
The Northwestern University Feinberg School of Medicine designates this live and enduring activity for a maximum of 7.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
