What is New in Stroke in 15 Minutes or Less

CME Dinner
Thursday, March 7, 2019
6:00 – 8:00 pm

Lagunitas Brewery
2607 W. 17th Street
Chicago, IL 60608

Course Directors
Yvonne M. Curran, MD, and
Babak S. Jahromi, MD, PhD

There is no fee to attend, however registration is required.
Contact sbaggs@nm.org no later than February 21 to reserve your seat. Space is limited.

Target Audience
This course is designed for all healthcare providers managing stroke patients, including those in the emergency department, cardiologists, neurologists, neurosurgeons, radiologists, advanced care providers, nurses, nurse practitioners, physician assistants, physical therapists, occupational therapists, speech language pathologists, social workers and allied health professionals.

Program Objectives
After attending this educational activity, participants should be able to:

- Describe the diagnosis of acute ischemic and hemorrhagic stroke.
- Explain how to safely administer IV thrombolysis for acute ischemic stroke.
- Review the reversal of coagulopathy-induced and spontaneous hemorrhagic stroke.
- Discuss surgical management of vascular lesions causing stroke.
- Recognize current research efforts underway to improve the diagnosis, treatment, and prognosis of patients with stroke.

Accreditation Statement
The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement
The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
