TARGET AUDIENCE

Medical, surgical, and radiation oncologists; pathologists; radiologists; and other translational-oriented laboratory scientists. Also nurses, pharmacists, physician assistants, and other health care professionals involved in clinical cancer care and cancer research.

LEARNING OBJECTIVES

- Analyze emerging data in clinical cancer care based on clinical trial results.
- Evaluate recent scientific advances in cancer biology and pathogenesis.
- Integrate key findings in cancer care within the last year into clinical practice.

ACCREDITATION STATEMENT

The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC CREDIT AVAILABLE

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 7.0 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

OTHER CREDIT

The American Academy of Nurse Practitioners and the American Nurses Credentialing Center accept AMA PRA Category 1 Credit(s)™ from organizations accredited by the ACCME.
